Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 management system assessment standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at [www.pwc.com/ca/certificate](http://www.pwc.com/ca/certificate). The SFI standard can be found at [www.sfiprogram.org](http://www.sfiprogram.org).

Based on our assessment, the management system met the Requirements, in all material respects, as of July 12, 2021.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
